

**Ravensthorpe District High School
Excursion Consent Form**

Visits to Local Sporting and Community Services within walking distance of Ravensthorpe District High School.

Class	Whole School (K-10)
Dates	Academic Year
Transport	Walking

During the school year, various excursions within walking distance of the school are organised by most Year Groups. These may include visits to the Town Hall, the Recreation Centre or the local Museum. This form will allow your child/children to attend the events without signing individual consent forms for every trip. Staff will inform parents of local excursion details in writing two weeks before these planned events and request updated health information. If you have any questions concerning up-coming events occurring in your child/children's Year Group please contact their Class Teacher or the front office.

Please Note: Students who have not returned a consent form will not be allowed to participate in these excursions. An individual form must be completed for each child – no whole family forms.

Chantal Gurney-Pringle
Principal

**Re: Visits to Local Sporting & Community Services
Parent/Caregiver Consent**

Please understand that all staff apply appropriate risk management strategies to reduce the foreseeable risk of harm to students during all school activities conducted on and off Department sites. In the event of an emergency the school will make contact with parents/caregivers and staff will administer relevant first aid within their level of experience until medical assistance can be provided.

Special Comments/requirements.

I give consent for my child _____ to attend these excursions.
First Name Surname

Parent/Caregiver Signature: _____ Date: _____
